

EZ-AutoTitrator and pH Meter for Alkalinity and Water Hardness Measurements

- ⬆ Easy Alkalinity and Hardness Titrations and pH Measurements
- ⬆ Eliminates Analyst-To- Analyst Variability
- ⬆ Minimizes Human Error in Titrant Delivery/Endpoint Detection
- ⬆ Easy to Read and Use Touchscreen Interface
- ⬆ Easily adapted to other Potentiometric and Indicator based Titrimetric Methods – Method Development Support
- ⬆ Develop Your Own Methods or Use Pre-Loaded Versions
- ⬆ High Accuracy and Precision compared to Manual Methods
